

**REMARKS-General****Response to Rejection of Claims 1-20 under Obviousness Double Patenting**

1. The applicant submits a terminal disclaimer herewith, in compliance with 37CFR1.321(c), to disclaim the terminal part of the statutory term of any patent granted on instant application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior Patent No. 6,540,248, in order to overcome the rejection of the claims 1 to 20 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1 to 20 of the U.S. Patent No. 6,540,248.

**The Cited but Non-Applied References**

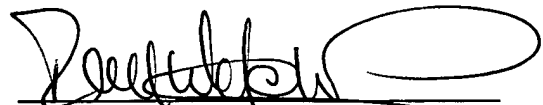

2. The cited but not relied upon references have been studied and are greatly appreciated, but are deemed to be less relevant than the relied upon references.

3. A check in an amount of US\$55.00 is submitted herewith to pay the statutory disclaimer fee. This amount is believed to be correct; however, the Commissioner is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account No. 502111.

4. In view of the above, it is submitted that the claims are in condition for allowance. Reconsideration and withdrawal of the objection are requested. Allowance of claims 1-20 at an early date is solicited.

5. Should the Examiner believe that anything further is needed in order to place the application in condition for allowance, he is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,

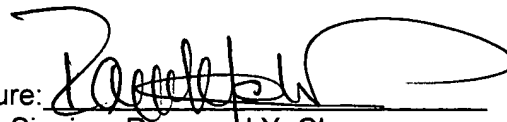

Raymond Y. Chan
